10 Things To Do on Monday

1. Start with saying „I don’t know“.
2. As a knowledge worker, book time in your calendar to think.
3. Be the leader you wish you had.
4. Speak from the heart.
5. Don’t ask yourself “How can I be most successful?”, but “How can I be most useful today?”
6. Approach people proactively and with curiosity.
7. Follow your curiosity.
8. Ask yourself, “Which small action step can I take today to build a culture of purpose and passion?”
9. Check in with your ego: when you see a mirror - admire the frame.
10. Read and practice more Drucker.
