

10 Things To Do Insights from participants on Monday

1

Start with saying „I don't know“.

2

Don't ask yourself "How can I be most successful?", but "How can I be most useful today?"

3

As a knowledge worker, book time in your calendar to think.

4

Ask yourself, "Which small action step can I take today to build a culture of purpose and passion?"

5

Be the leader you wish you had.

6

Approach people proactively and with curiosity.

7

Speak from the heart.

8

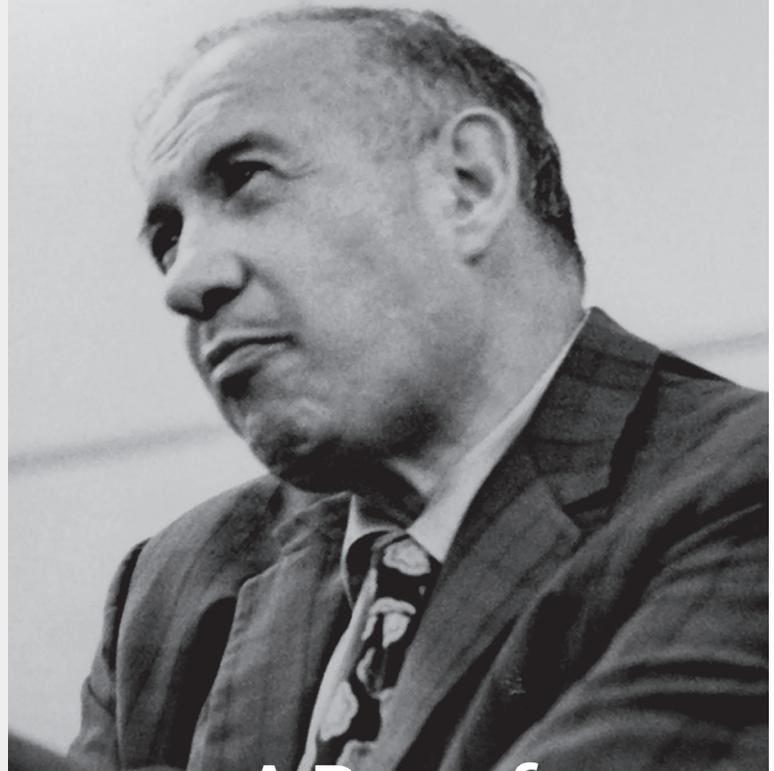

Follow your curiosity.

9

Check in with your ego: when you see a mirror - admire the frame.

10
