10 Things To Do insightfully on Monday

1. Start with saying "I don't know".

2. Be the leader you wish you had.

3. As a knowledge worker, book time in your calendar to think.

4. Approach people proactively and with curiosity.

5. Don't ask yourself "How can I be most successful?", but "How can I be most useful today?"

6. Ask yourself, "Which small action step can I take today to build a culture of purpose and passion?"

7. Speak from the heart.

8. Follow your curiosity.

9. Check in with your ego: when you see a mirror - admire the frame.

10. Read and practice more Drucker.
