

**Peter Drucker Forum Entrepreneurship Schools Program  
SPONSORSHIP OPPORTUNITIES 2019**

Starting with the Austrian Schumpeter Schools in 2017 the Drucker Forum has established a program to invite top students (final class) and their teachers from Austria and other European countries to participate and contribute to the Forum. The participants under this program are selected based on European and country specific competitions and selection processes. The 2019 sponsorship program is directed to invite 75 participants from entrepreneurship schools to the Forum and to cover their travel and accommodation costs.
